

Log in to your account [here](#)

\*If you don't remember your password click on "Forgot your password" and follow the reset process.

Log In

Remember me

As it's your first time login, you will be required to set some security settings.

## STEP 1: Register your mobile phone number to activate the "2 STEP LOGIN" security feature

**TRAFFIC FACTORY**

**INCREASED SECURITY**

Achieved by using your phone for an SMS log in verification

Please enter valid mobile phone number below

Force this number (if you are sure it is valid)

**TRAFFIC FACTORY**

**INCREASED SECURITY**

Achieved by using your phone for an SMS log in verification

Please enter valid mobile phone number below

A validation code has been sent to you. Please complete the following form when you will receive it.

Fill in the field with the code received by **SMS** and click on "**Confirm**".

## STEP 2: Define your username.

**TRAFFIC FACTORY**

**MANAGE ACCOUNT**

Create user accounts under the main account for enhanced campaign management and account security.

Set your account's administrative username :

**TRAFFIC FACTORY**

**MANAGE ACCOUNT**

Create user accounts under the main account for enhanced campaign management and account security.

Set your account's administrative username :

Please confirm your administrative username

## STEP 3: Configure IP RANGE

This is just an information page. You will be able to manage the settings once you will be logged in to your account. Click on "Skip" to proceed to the next step.

TF TRAFFIC FACTORY

CONFIGURE IP RANGE

Now you can configure log in access to your account by countries and/or IP ranges. If someone logs in from another location, you will receive an alert.

Back ● ● ● ● Skip

## STEP 4: Fill contact & billing information, and "Confirm".

TF TRAFFIC FACTORY

### BILLING CONTACT AND REGIONAL SETTINGS

Now you can configure billing contact, language and timezone for your account.

Company country	<input type="text" value="Czech Republic"/>
Company name	<input type="text" value="Traffic F, s.r.o."/>
Company address	<input type="text"/>
VAT number	<input type="text"/>
Registration number	<input type="text"/>
	<input type="checkbox"/> Not applicable / Personal account
Language	<input type="text" value="English"/>
Time zone	<input type="text" value="[GMT+02:00] Europe/Paris"/>

Confirm

Back ● ● ● ●

→ If you are not based in Europe, check **"Not applicable / Personal account"** for VAT number.

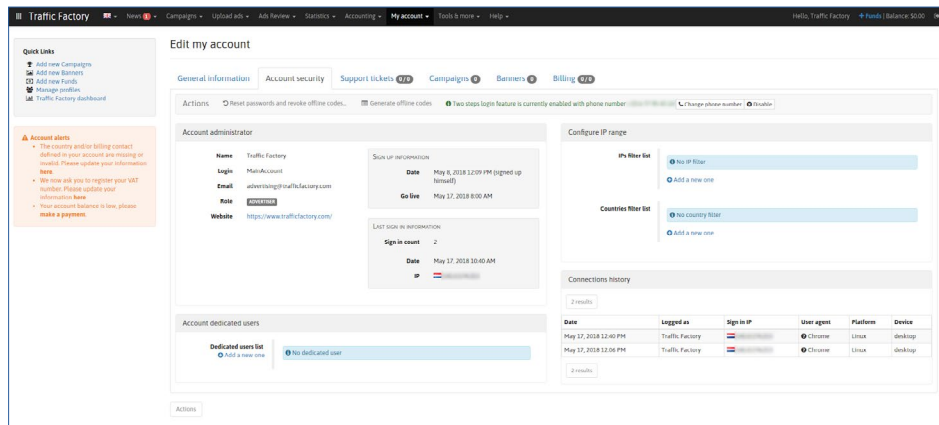

→ If you don't have a registration number, check **"Not applicable / Personal account"**.

→ MAKE SURE YOUR **COMPANY NAME / PERSONAL** NAME RECORDED ON OUR PLATFORM WILL MATCH WITH YOUR PAYMENT INFORMATION, OTHERWISE YOUR PAYMENT WILL BE REJECTED.

→ FROM 04/01/2018, INVOICES SENT TO EUROPEAN CUSTOMERS WITHOUT A VALID VAT NUMBER WILL BE ISSUED WITH THE STANDARD VAT RATE OF THE CUSTOMER STATE.

# CONGRATULATIONS
